Hi Rich,

Humane called me looking for any / all docs that went to HW 06. I know you already gave her the stuff you had. I told her that the fact sheets were distributed door to door, so everyone, including HW 06 should have gotten one. I emailed her an electronic copy. (see below). To follow up, I checked the website to see if there were any others, but I only saw 2 there. I don't think the March fact sheet is on the www.epaosc.org website. If it is, I must have missed it. If not, could you include it? Thanks.

Hi Humane,

I thought there were only two that were distributed door to door, but there were three.
